## Program Group Descriptions:

**Red Ball Fundamentals (ages 5-8):** A fun way to introduce kids to the game of tennis. Participants will learn in a safe and fun environment the fundamentals using mini nets and slower balls. FUN games and FUNdamental movements will be linked together in play.

**Orange Ball Fundamentals (ages 8-10):** Continue to improve fundamental movement skills, motor skills, and tennis skills using a games based approach on half of the full size court.

**Green Dot Ball Fundamentals (ages 10-12):** . This clinic will emphasize positive feedback, improve self esteem, and attain basic athletic physical literacy, tennis fundamentals, psychological skills, and ability to compete. This clinic may play on a  $\frac{3}{4}$  court with the goal to eventually transition to full court once the players learn, develop and consolidate the required tennis skills.

**Regular Ball Fundamentals (ages 12-15):** Players will come motivated to learn the fundamentals in this Tennis For Life stream. Progressive tennis may still be implemented to help less experienced players learn the game faster and improve. A balance of learn and play will be the focus.

Please sign up for as many sessions as you like. If your child's age does not meet the requirements for the group please email Ryan Chow with a request to join the group, with info such as child's age, tennis or athletic background as exceptions will be allowed on a case by case basis.
